

2008 Mitsubishi Triton 4X4 Double Cab Ute GLS 3.2 litre diesel 5 speed manual

A late model, NZ new Triton double cab, travelled only 74,800 kms by two owners.

This is the top spec GLS model, 5 Speed Manual, which can run as 2WD or 4WD (with hi/lo ratio).

The 3.2L Turbo Diesel four cylinder engine provides both performance (118 Kw power, 343 Nm torque) and economy (rated by Fuelsaver at 9.1L per 100 km), and makes for a great drive. Factory towbar fitted (with removable tongue) which is rated to tow up to 2,700 kgs.

Comes complete with deck liner and beautifully made lockable Avenger XTC sports canopy, which is lined/padded and has dark tinted pop-out windows (plus sliding window to allow opening into the cab). Currently fitted with professionally made crates for carrying dogs (divided into 2 lockable crates which easily fit 4 border collies, plus 250mm storage height underneath). The crates are easily removable if required.

Other accessories and creature comforts include:

- Air conditioning
- Electric Windows & Mirrors
- Remote Central Locking
- Power steering
- Alloy Wheels
- AM/FM radio/CD Player
- Tinted windows
- Fog lamps
- Running Boards
- Electric rear window (into canopy)
- On board computer, including fuel use, compass and altimeter
- Rev counter
- 2 x 12v plugs

Safety and security features include:

- ABS Brakes
- EBD Braking
- Driver airbag
- Passenger airbag
- Side impact protection
- Impact tensioning seatbelts
- Diagonal seatbelts for all three rear seats
- Steering column height/rake adjustment
- Rear Diff Lock
- Front Nudge Bar and stone deflector
- Immobiliser and Alarm

Regularly serviced by Mitsubishi franchise dealers and has been checked for (and cleared of) the possible suspension issue that was raised in 2010. It has also been fitted with the upgraded manifold. New WOF 16/05/11. RUC to 78032 km. Reg'd to 13/10/11.

This has been a great vehicle and is reluctantly offered for sale to make way for our new dogmobile – a purpose built campervan.
